## #2 - May 15, 2023

Congratulations to the almost 300 Taz swimmers who jumped in the pool at Mock Meet! It was great to see the kids swimming their hearts out and our extended Taz family on deck! This week coaches will be focusing on getting the kids ready for our first dual meet on May 20! Keep an eye on your email for important info about that meet, as well as other team news (including Laps 4 Taz PJ pant sizing). And as always, if you have any questions, please email [info@edhtaz.org](mailto:info@edhtaz.org) or find a Board member on deck!

GO TAZ!

## MEET REMINDERS FOR PARENTS

- To protect our swimmers, photos are not permitted from behind the blocks. If you have questions about this policy, please ask a Board member.
- Parents are not permitted behind the starting blocks (i.e., under the tents or inside the fence). This is a very crowded area with swimmers, coaches, timers, and officials – please drop-off your swimmer and watch the race from the viewing area. Thank you!

## FAMILY FOLDERS

Family Folders will be on deck at practice later this week. Check them regularly for meet ribbons and other important team information.

## REGISTRATION SHIRTS & TEAM CAPS

If you haven't already picked up your registration shirt, please do so this week. For families that joined the team after April 10, we will be placing a second order of shirts – stay tuned. We'd like all swimmers to wear their shirts to the Folsom meet!

We are still waiting for the team caps to arrive, but have been told they \*should\* arrive this week. 🤞 They will be distributed at practice as soon as they are available. We will also have non-personalized Taz caps for sale. Thanks for your patience.

## TEAM TIPS

**Meet Mobile** – Did you know you can view heat and lane assignments and race results from your phone? Download the [Meet Mobile app](#) and search for EDH TAZ or nearby events. Then “favorite” your swimmers or the whole team for quick access. Note: A subscription may be required for meet results, and posted results are unofficial and may change (as DQs are processed and times are audited).

**Lost and Found** – We try to collect all items left on deck following practice and meets. Found items can be retrieved in the plastic shed to the right of Taz's metal storage shed. In addition, CSD has a lost and found on the far left of the storage sheds.
